Use the chart below to help you create an MLA citation for the Database you are using. Please note the punctuation in red for each part of the citation. Many databases will create a citation for you. Simply look for the citation button at the bottom or top of the database.

<table>
<thead>
<tr>
<th>Author’s Last name, First name. (if available)</th>
<th>“Title of Document”.</th>
<th>Title of Original Source.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Publisher,</td>
<td>Date of Publication.</td>
<td>Web. Access Date Day Month Year.</td>
</tr>
</tbody>
</table>
